**Subject:** OLEM comments on R8 Lead Action Plan

Silvina and Tim,

OLEM has reviewed R8's draft Lead Action and found it to be well written presentation of clear and supportable goals for address lead in the region. OSRTI has provided some specific comments in the attached file, and ORCR would like to add the following:

We would be happy to provide input if R8 would like to include any additional activities related to RCRA such as:

- 

- **Deliberative Process / Ex. 5**

- 

As Barbara Hostage communicated to Tim earlier today, OLEM would like to coordinate with the regions on the developed of additional lead action plans and I can serve as a point of contact.

Please let me know if you have any questions.

Thanks
